

National Science Day 2019
University of Delhi South Campus
Feb 27-28, 2019

List of speakers (Oral presentation)

S. No.	Name	Department	Title of the talk
1	Mohsin Raza	Department of Biochemistry	Liposomal maduramicin: A potent therapeutic nano formulation against malaria
2	Aditya Sharma	Department of Genetics	Computer aided drug discovery efforts for Rheumatoid Arthritis
3	Subhojit Chakraborty	Department of Microbiology	Solid-state fermentation and enzymatic treatment for improving usage of cereal by-product
4	Lalit Dev Tiwari	Department of Plant Molecular Biology	Regulation biology of Arabidopsis ClpB-C/Hsp101 protein: Hsc70-1 protein negatively regulates Hsp101 expression through HsfA1s and HsfA2 proteins
5	Vineeta Kaushik	Department of Biophysics	Biophysical Characterization of archaeal cyclophilin like chaperone protein
